# APOLLO CITY PRO

## Key Features

- Handlebar turn signals
- Robust Dual 500 Watt Motors
- 500 Lumen (20 LUX) headlight
- Redesigned Regenerative Brake System
- Triple Spring Suspension System
- Self healing tires
- Redesigned folding mechanism
- Aircraft-Grade Aluminum Build

## Accessories

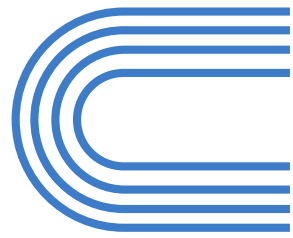

**Apollo Bag**

Waterproof scooter bag compatible with all models sold by Apollo.

**Phone Holder**

Phone holder compatible with all Apollo models. Made of aluminum alloy, it is fully adjustable and rotatable, featuring a firm clamp.

### POWER

MOTOR RATED POWER	2 x 500 Watt
TOP SPEED	50 km/h
MAX INCLINE	20 Degrees
TRAVEL DISTANCE	65 Km

### RIDING MODES

MODE ECO	(15 km/h): up to 60 km
MODE NORMAL	(35 km/h): up to 50 km
MODE SPORT	(52 km/h): up to 35 km

### BATTERY

BATTERY TYPE	48V 20 Ah
STRUCTURE POWER	52 x 21700 (4500 mAh) Lithium Battery
CHARGER RATED POWER	54.6V 3A
CHARGER RATED INPUT VOLTAGE	110V-240V
CHARGING TIME	4.5 hours approx
STANDING POWER CONSUMPTION	1.2kW per 100km* approx

### DESIGN

FRAME	6061 Aircraft grade aluminum
COLOUR	Graphite grey with orange accent
DISPLAY	LED with mode controls and key riding statistics
THROTTLE	Ergonomic Thumb-Throttle
BRAKE	Dual Drum and Regen
TIRE SIZE	10 inch front and rear
TIRE TYPE	Self-Healing Tires
WEIGHT	29.5 kg
MAX RIDER LOAD	120 kg
WATER RESISTANCE RATING	IP66
